INSURANCE

## N. Contagious and Infectious Disease (not applicable to Section 4 Public Liability, Section 5 Employers Liability and Section 6 Terrorism)

Loss, damage, destruction, cost, expense, or any consequential loss, directly or indirectly caused by, arising out of, attributable to, or contributed to by:

- a. Contagious or Infectious Disease;
- b. the fear or threat (whether actual or perceived) of a Contagious or Infectious Disease;
- c. the presence or suspected presence of Pathogens at, in or on the premises or property of any person or entity; or
- d. any action taken or advice given (whether or not by a competent authority) to prevent, reduce, control or mitigate the occurrence, outbreak, spread or effects of a Contagious or Infectious Disease or any Pathogens,

irrespective of any other cause, occurrence or event operating concurrently, independently or in any sequence to cause the loss.

But this exclusion will not apply to Physical Damage to property insured under the Policy and any business interruption directly resulting from such Physical Damage, where such Physical Damage itself results from fire, lightning, explosion, aircraft or other aerial devices or articles dropped from them, riot, civil commotion, strikers, locked-out workers, persons taking part in labour disturbances, malicious persons, earthquake, storm, flood, escape of water from any tank apparatus or pipe, impact by any road vehicle or animal or theft.

### For the purposes of this exclusion:

Loss includes, but is not limited to financial and business interruption loss, loss of value, marketability or use of property, fines and penalties. Cost or expense includes, but is not limited to any cost to:

- i. clean-up, detoxify, decontaminate, or remove Pathogens from any property where the property is or is feared to have been affected by Pathogens or a Contagious or Infectious Disease;
- ii. monitor or test for Pathogens or a Contagious or Infectious Disease; or
- iii. provide medical treatment for persons affected by a Contagious or Infectious Disease.

Physical Damage means physical loss, damage or destruction. For the avoidance of any doubt, the presence of a Pathogen on property or contamination of property by a Pathogen does not constitute Physical Damage;

Malicious persons do not include persons who maliciously, deliberately or recklessly:

- i) cause Pathogens to come into contact with the premises or property of any person or entity; or
- ii) cause or attempt to cause another person or persons to contract a Contagious or Infectious Disease and, in or by so doing, cause Pathogens to come into contact with the premises or property of any person or entity.

### Contagious or Infectious Disease means

Any disease, illness or condition affecting humans or animals which is caused by or can be transmitted by means of any Pathogen, where the method of transmission, whether direct or indirect, includes but is not limited to, airborne transmission, bodily fluid transmission, transmission from or to any surface or object, solid, liquid or gas or between organisms (including from one human to another, one animal to another, from an animal to a human or vice versa, or through contaminated water, faeces or food).

### Pathogen means

Any pathogen, including but not limited to a virus, bacterium, parasite, fungus, other organism, micro-organism, any variation or mutation thereof, whether deemed living or not, or any other substance or agent capable of causing a Contagious or Infectious Disease.
